## JEWELRY

### DICHROIC JEWELRY

◆ Sunday, August 22, 3:00-4:30pm

A virtual feast for the eyes! Using dichroic glass, you will create, then fuse, your own miniature work of art. Dichroic glass is one of the hottest materials being used to make jewelry today. *No experience necessary. Tools and materials included. \$24.00*

### Workshop Refund Policy:

All class reservations require pre-payment.

We require at least 72 hours notice of cancellation so that your reservation may be made available for other students. Students who miss a class or cancel with less than 72 hours notice will forfeit their deposit.

**Open toed shoes may NOT be worn in class.**

## FUSING (WARM GLASS)

### NEW! FUZZY BUBBLES BOWL

◆ Saturday, August 14, 3:00-4:30pm

Flirty and just plain fun, this small 5" bowl will bring a smile to your face every time you see it! This is a great introduction to the fascinating art of fused glass. *No experience required. Tools and glass included. \$40.00*

### COLOR BLOCK DROP MOLD DISH

◆ Sunday, August 22, 12:00-2:00pm

Create this fun 6" dish using blocks of colored glass in any color combinations you desire. Dish is "dropped" through a hole in a mold in a kiln, so you can vary the depth of the dish. *No experience required. Glass and metal riser extra. \$35.00*

### SECTIONAL BOWLS & PLATTERS

◆ Sunday, August 29, 1:00-3:00pm

This is one of our most popular classes at GlassLink. Choose from a large selection of glass colors and patterns to create your own one-of-a-kind usable glass bowl or platter. There are many bowl sizes to choose from. Be forewarned, everyone you know will want one once they see yours! *Glass cutting experience required. Glass Extra. \$40.00*

## STAINED GLASS

### CUTTING TECHNIQUES: THE BASICS

◆ Saturday, August 14, 12:30-2:00pm

Become familiar with basic tools, safety, straight cuts, curved cuts, and how to break a perfect circle out of a sheet of glass. This is sometimes a prerequisite for other classes and an invaluable foundation class. *All tools and materials provided. \$19.00*

### BEGINNING STAINED GLASS

◆ 4 sessions: Tuesdays,  
Aug 24-Sept 14, 6-8:30pm

Learn the ancient art of stained glass and create works of art for yourself or friends! We will teach you all the skills required to create your own glass project using the copper foil technique. Finished project is approximately 8" x 16". No artistry required. *Cutting Techniques: The Basics* workshop or equivalent experience required. *Tools included. Glass extra. \$90.00*

### BEGINNING STAINED GLASS LAMP

◆ 3 sessions: Thursdays,  
Aug 19 - Sept 2, 6:00-9:00pm

Add to the techniques learned in *Beginning Stained Glass* by learning how to build an elegant, 3-dimensional lamp sure to be treasured for years to come! *Cutting and copper foil experience required. Materials extra. \$70.00*
